A strong presence, exuberant and with a rich basket full of fruit, such as ripe yellow apples and quinces, as well as wild herbs, lemon peel and honey. Dense minerals on the palate. Acidity dances with fresh fruit aromas, providing the wine with length, remorseless drinking pleasure and a buoyant lightness. This Kabinett is much more than just pleasant.

Great with slightly hot Asian vegetable dishes as well as fermented and savory foods. Try it with fishballs in Riesling butter on a bed of young spinach. Winter vegetables such as beetroot and pumpkin are delightful food companions as well.

Perfect for consumption now and until 2022
