The Heerkretz site is unmistakably the prime vineyard site of the Rheinhessen hill lands, the "Rhinehessian Switzerland". The Riesling originating from there shows pure mineral character and a vibrating acidity structure. With the 2020 vintage it is the pure porphyry terroir that is mirrored in the wine's nose of smokey and stony notes, citrus fruit and young pineapple. A deeply emotional wine, multi-faceted, exciting and full of energy.

Flavors of salt, herbs, citrus fruit and intense acidity make the Riesling Heerkretz an ideal partner to raw fish and seafood, to tempura and Vietnamese summer rolls.
