The colour of this rosé is as beautiful as its bouquet. What an intense aroma is released in the glass here! There are lilacs and mauves; fresh pink grapefruit combine with intense raspberries and sweet cherries, rounded off with herbs and cool stone. On the palate, the rosé steals the show with rich raspberry fruit, silky acidity and the feeling of slight effervescence.

This crisp and fruity rosé can be enjoyed with light summer cuisine. How about with a salad of oxheart tomatoes or with toasted bread with hummus, tomatoes and basil?
